

CAAT DRONE

LEARN TO FLY CHALLENGE

October 22 - 24, 2020
for 6th, 7th and 8th grade students

Build, fly and compete with
your very own free drone!

Learn about the history of flight, the many ways drones are used, and the basic physics that make them fly. All registered participants will receive a free SG907 WIFI Drone in our Learn to Fly Challenge. A virtual session will be held using Zoom and an in-person competition will be held at (TBD)

Navigate obstacles,
drop payloads and
land on a fixed target.

Event Schedule:

Thursday, Oct 22: 3:00-6:00pm

- drone pick up at [TBD]

Friday, Oct 23: 4:30-6:30pm

- live virtual instruction
- build, calibrate, control the drone (via Zoom)

Saturday, Oct 24: 12:30-3:00pm

- in-person competition at [TBD]
- complete 3 challenges
- compete to win a robot!
