

GIRL SCOUTS ENGINEERING DAY

Saturday, February 23, 2019 from 9 am-3 pm
Macomb Community College South Campus
(Building S)
14500 E. 12 Mile Warren, MI 48088

CALLING ALL GIRL SCOUTS IN 4th -12th GRADES!
Join us for a fun-filled day exploring the amazing world of engineering and technology at Girls Scouts Engineering Day!

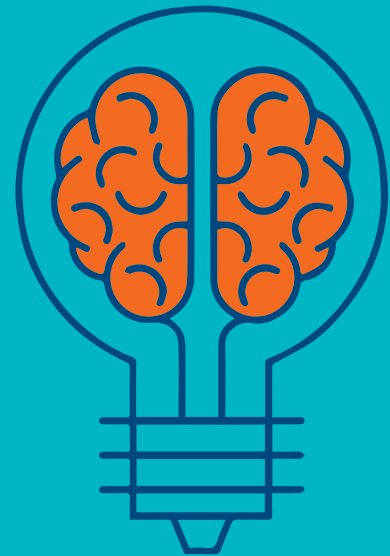

- Explore engineering and technology as careers with hands-on activities led by our team of women engineers
- Cadette-Ambassadors will see a movie titled, **DREAM BIG: ENGINEERING OUR WORLD**
- Special sessions for parents to share and discuss the importance of supporting the awesomeness of STEM girls

The event fee is \$10.00 and includes lunch, snacks, a patch, all the supplies needed. Registration deadline is Feb. 15 or sooner if capacity is reached. For program questions, contact Karen Chappell at kchappell@gssem.org. For registration questions, please contact helpdesk@gssem.org.

Activities during this event will complete some of the requirements for the THINK LIKE AN ENGINEER badge. This event is part of our annual ENGINEERS WEEK CELEBRATION.

THANK YOU TO OUR SUPPORTERS:

Macomb Community College, Center for Advanced Automotive Technology
Oakland University, School of Engineering and Computer Science
STEM Genius
Society of Women Engineers Detroit
